

# Live-streamed and recorded services

With all churches closed due to the coronavirus pandemic people are turning up to Digital Church instead. We can gather together online for live-streamed or recorded services, prayer groups, Bible studies and reflections. There is a lot going on all over Wales. Check your local church's website or social media for details of how you can join in or see the list of services below. (Remember, you don't have to be on Facebook yourself to access live or recorded services.)

*All programmes, recorded or live streamed, whether from a church building or elsewhere, are produced in accordance with both Guidance issued by the Bench of Bishops on March 31st 2020 and Welsh Government Regulations of March 26th 2020.*
